USA Volleyball has made the following rules changes that will help continue the growth of the game and will go into effect for the 2025-26 club season:

- **Substitutions:** Allow 15 substitutions per set.
- **Doubles:** To allow multiple contacts on a team's second hit if the ball is next contacted by a teammate.
- **Liberos:** To modify the rule on libero designation to allow a team to designate zero, one, or two liberos for each set.
- **Screening:** To modify the language for the screening rule to prohibit players from raising their hands above the head during service until the ball has passed beyond the net.

USAV CLUB CHAMPIONSHIPS

The GJCC is a new, stand-alone, non-bid national championship event hosted by USA Volleyball, designed specifically for girls junior club teams in the 10u-17u divisions. The inaugural event will take place June 5-7, 2026, in Columbus, Ohio. This will replace the Patriot Division at USA Volleyball Nationals.
