

CEDAR CLIFF

**YOUTH BASEBALL
ASSOCIATION**

**2024
SPRING PROGRAM**

PRESIDENT'S MESSAGE

Welcome athletes, families, and fans to the 2024 Cedar Cliff Youth Baseball season! The CCYBA board and I are excited and honored to offer 250+ youth athletes the opportunity for a memorable and competitive baseball experience.

The youth baseball experience not only offers children the opportunity to learn and improve their athletic skills, but it also teaches them life skills including communication, relationship building, and sportsmanship. Our organization relies solely on volunteers to accomplish these goals. I would like to share a special thank you to our current group of volunteers, including our Board members, various coordinators, coaches, and assistants, as well as the concession stand volunteers at each game. Our season would not be a success without your support. If you would like to become more involved, we encourage you to reach out to a Board member and join us at a monthly board meeting. New volunteers are the future of our organization, and we can't continue to accomplish great things without your support.

In addition to our volunteers, we want to extend a sincere thank you to all of our sponsors for their generous donations. From your business or personal names on the backs of our jerseys to the signs hanging around our facilities, your donations make it possible for our organization to provide the best experience possible for our young athletes. We encourage our participating families to patronize these businesses to show our support in return.

As an organization, our mantra is to provide an opportunity for our athletes to play baseball with their friends. In doing so, our hope is that they are able to learn more about the game of baseball while also building on those life skills mentioned above. Ultimately, when an athlete finishes their season by saying, "see you next season," we have accomplished that goal. We appreciate the encouragement of your own athlete, as well as their teammates and opponents, throughout the season. That encouragement goes a long way in making our season successful as well.

Thank you again to our volunteers and sponsors, and thank you to YOU for choosing to join CCYBA this season. I look forward to the season ahead, and I hope to meet many of you at the fields. Please do not hesitate to stop me at any time with a question. I'm always available to help.

"You have to have fun. Regardless of how you look at it, we're playing a game."

Derek Jeter

VOLUNTEERING

A great deal of hard work is put into effectively running CCYBA, and this league can not exist without the help of volunteers. We encourage all families to get involved and find ways to support the league and those who devote countless hours of their time. Please join us on the 2nd Wednesday of each month for our monthly Board Meeting, or email CCYBAboard@gmail.com to see how you can get involved and help ensure the success of this league in 2024 and beyond.

MAJORS

The background of the image is a dense, chaotic pattern of yellow and black streamers and confetti, resembling a party or celebration. The streamers are thin, black lines of varying lengths and orientations, while the confetti consists of small, irregular yellow and black fragments scattered throughout. The overall effect is a bright, energetic, and textured backdrop.

The background of the image is a dense, chaotic pattern of yellow and black streamers and confetti. The streamers are thin, dark lines that crisscross the entire frame, creating a web-like texture. Interspersed among these are numerous small, bright yellow particles of various shapes, resembling confetti or paper scraps. The overall effect is one of a festive, celebratory atmosphere, typical of a party or event.
