

Maple Grove Boys Lacrosse Fall 2020 COVID Plan

- Boys will be split into 25 player pods. They will remain with those pods until such a time that all restrictions are off
- Players and guardians will fill out a health release waiver
- Players will not be allowed to practice if they are not feeling well
- Players will immediately be sent home at the first sign of not feeling well
- Masks will be recommended to wear underneath their gear
- Players will enter thru the side gate of the stadium and be confined to one half of the field to prep
- Players will practice on other half of field and exit thru the main gate
- Players will have staggered start times
- There will be disinfectant for players to use after practice is complete and before they start practice
- Players will not share any equipment
- Players will arrive prepared to the field
- There will be zero contact between players during sessions with all social distancing guidelines strictly followed
- Players/ Parents will check their athlete daily. Attendance will be tracked as well
- Players/ Parents will sign a liability waiver taking responsibility for their player
- Players will bring their own water bottle and will not share with other players
- Parents/ Spectators cannot stay at the facility
- If for any reason a player or person goes into the building they must wear a mask
- Plan will be emailed to parents with registration information. Will be emailed again when pod groups sent out
