

June 8, 2020

FC Dallas Family-

I hope everyone has remained safe during this strange time. Our goal remains to provide an environment where our players and coaches can safely return to the sport they love and ensure the ongoing success of our club. That day is today!

We are excited to get back on the field beginning today as FC Dallas teams!

It has been a long quarantine period and it should be a great 3 weeks of training. I hope that you all have heard from team manager/coach by now with details of your team training schedule. Each team will have the opportunity to train twice each week with their head coach or another FC Dallas staff coach. Each session will be 1 hours 15 minutes long to allow for separated training times and social distancing.

June training is open for ALL currently registered Spring 2020 FCDEC roster and pool players. If **you or your player is not comfortable returning to the field** at this time due to personal home situations with COVID-19, **this training is optional for the players**. Players are encouraged to attend if available, but NOT obligated to attend this training.

Please see the FC Dallas-Emerald Coast "Return-to-Play" Guidelines below. We have several governing bodies and used an assortment from all to best suit our needs here in

the Florida panhandle. At the bottom of FCDEC guidelines, you can see a few links to resources for much further detail.

- 

Be on the lookout for news articles and social media posts. Lots of information will be going out this week regarding the 2020-21 season.

- 2020-21 Current Player Registration
- 2020 New Player Tryouts
- 2020-21 Coach Announcement
- 2020 Pre-Season & Fall Schedule

This is normally a very busy time for FC Dallas-Emerald Coast as it is for all clubs around the country and this unique time period has only enhanced those events. Please be patient as we roll out all the information to our membership.

Thanks for your patience & dedication to FC Dallas-Emerald Coast and we look forward to seeing everyone back on the field this month.

Louis Richard

Executive Director

FC Dallas-Emerald Coast
