

Dear Friends of Franklin Regional Hockey Club,

The FRHC is a non-profit club which is committed to providing students, beginning in kindergarten and residing in Delmont, Export and Murrysville, with a quality ice hockey program at a reasonable price.

Ice hockey is one of the most expensive sports due to ice and equipment costs. It is a total commitment not just from players, but their families as well. By choosing one of the sponsorship packages listed below, you will be helping to defray some of the costs associated with operating this historically successful program. Your business donation also will provide a 50% credit of the total package cost toward the player you choose to support.
