

Westerville Crew believes that all athletes committed to the sport of rowing, regardless of financial ability, should have the opportunity for participation. In support of this, Westerville Crew offers scholarships to cover the cost of seasonal dues for those who have financial need. If your athlete would like to be considered for a scholarship, please complete this application along with athlete statement and demonstration of financial need and submit this information to the Westerville Crew Treasurer (treasurer@westervillecrew.org). Please reach out the Westerville Crew Treasurer with any questions.

Season Requesting Assistance: _____
