After winning an NAPHL championship with the Titans I played a year in Atlanta, GA with TPH Thunder Tier 1 Elite League. I moved to MN & split time between MN Magicians-NAHL and TC Steel-NA3HL. I spent 3 seasons as goaltender at Lindenwood University Belleville. Although I originally moved to MN to play juniors, I fell in love with the state of hockey & have a family here my wife Alex & my two sons Brooks & Callen. I current work with Devenir Goaltenders as a goalie coach & Velocity Hockey Center as head of goaltending development. I have a passion for everything goaltending & enjoy sharing my knowledge & love of the game with the next generation of netminders.

SENIOR *Spotlight*

Abbigayle Benson

This sport has brought so much joy, excitement, challenge and laughter into my life. You all have become my family and I am thankful for that everyday. I am beyond proud of all of you and cannot wait to see what your futures hold. I will forever cherish our memories and all of our time together. Always remember why you started playing this game and don't take a second for granted. I will always cheer you on and will be back to support you guys! I plan to attend a four year university, major in business, and continue my hockey career.

Kate Black

Looking back I'm forever grateful for the friendships this sport has brought me. They have truly helped me become the person I am today by pushing me to be the best version of myself. Even when times get tough always remember a comeback is stronger than a setback. I play to attend a 4 year collage, majoring in kinesiology.

Alexa Hadley

Wow, 9 years of hockey go by fast. Thanks Mom and Dad for always showing up for me all these years. To my teammates: Don't take these moments for granted even when the days get hard. Focus on the things you can control which is your effort and attitude. You all are so incredibly talented, remember that. After high school I plan to attend a 4-year college and study architecture.

April Watson

Looking back, one thing I've learned through the years of playing hockey is to never give up on your self before you even play! I'd like to thank my teammates for always supporting me through my hockey journey. My future plans are to run cross country and track at NDSU.

Minnesota's Longest-Running & Highest-Attended 3-On-3 Hockey Leagues!

Velocity 3-on-3 Leagues are coming back for another season in Osseo! The puck will drop on the upcoming season in **April 2026!**

Why Velocity 3-on-3 Hockey?

Our specialized rink leads to more puck touches, skating reps, stickhandling/shooting reps and creative scoring opportunities at a higher game speed.

Our unique formula creates the Midwest's best skill development tool for players of all ages and genders!

Countless Velocity 3-on-3 Hockey players have graduated onto success at every level of the sport over our 19-year history. From association hockey to high school, collegiate and pro careers, it's been proven that the Velocity 3-on-3 method will help develop your son or daughter's skill set much faster than on a regulation rink!

This upcoming season, we will offer eleven age-specific leagues. Mite, Squirt, PeeWee & Bantam, as well as 8U, 10U, & 12U Girls' divisions!
