6:00 PM

Members Present: Liz Hamilton, Lindsey Moniz, Chelsea Janzen, Bre Thompson, Kim Messersmith, Scott Miller

Minutes were approved from 6/14/22.

### **Financial Updates**

- Kim shared updated financial information.
- Bre will work on locating contracts for businesses who are currently in the middle of a multi-year agreement for club sponsorship.
- Lindsey will create a SignUp Genius with a list of businesses Bre put together. After approval, it will be emailed to the club so players who are interested can approach community members regarding their interest in sponsoring LAHC.
  - Deadline for funds is August 17.

### **Grunnah Camp**

Scott reported that details were falling into place for the Grunnah Clinic and Matt Leibovitz was finalizing everything. RJ will set up a special registration for the clinic.

### **Rule Changes**

WAHL rules are evaluated every 3 years. After this year's meeting, the most significant change was to 10U changing their game format to ½ ice. More information will be shared with the club as it is clarified but as of now, each team will play on a ½ sheet of ice with 4 players for 2, 25-minute run-time periods.

We do have boards that can be used for games hosted in Laramie.

### **Equipment Budget**

After cleaning out the cage in June, it was determined some equipment was needed:

- 2 intermediate nets as a result of 10U game format changes
  - Approx. \$900 total
- Helmets - 10 each of XSmall & Medium
- Sticks for younger players
  - Left & Right Flat Blades

The board approved the purchase of these items.

### **Girls Team**

There are 4-5 girls from Rock Springs who would like to join the Laramie team again this season. Chelsea reported it's their hope this continues to happen on a long-term basis and asked if 1-2 "home" games could be hosted in Rock Springs. (Rock Springs would pay for the ice time.) The board approved her request to test it this year and potentially increase the quantity after evaluating its effectiveness at the end of the season.

### **Registration**

RJ reported player registration was nearly finalized and just needed dates. Scott said he would compile those and email them to the board for approval.
