Physicals.aspx](http://www.katyisd.org/dept/athletics/Pages/Physicals.aspx)

What separates a JV golfer from a Varsity golfer?

Boys– JV golfers average over 100 for 18 holes. Varsity golfers average in the 80s. Good players score in the 70s.

Girls– JV is for beginners. Varsity golfers should break 100 on 18 holes.

The difference is practice. Varsity players work on their own time. JV players only work during school practice.

How Does Golf Work at THS?

Halen Beisert

There are two teams for both boys' and girls. We compete at the JV and Varsity levels. JV golf is for beginners and those who are developing their game, while varsity golf is for the more advanced player.

What are the requirements for golf?

All golfers must provide their own transportation to and from practice. Players must provide their own golf clubs and should have a bag. The school provides the following for tournaments:

- Golf balls
- Golf shirt and shorts
- THS Golf Bag

Golf tryouts take place after school starts. Cuts are dependent on the number of players trying out.

JV Golf

Junior Varsity golf meets during first period. Depending on skill level, players may play in up to eight tournaments during the year. The golf season runs from September to April.

Varsity Golf

Varsity meets during 7th period. On practice days we often leave straight for the golf course. In the fall practice runs until 4:00 and 4:30 in the spring. We practice at the following courses:

- Blackhorse (Mondays)
- Willow Fork (Tuesday and Thursday)
- Pine Forest (Wednesday)

We compete in district 19 6A. This is a very tough district and players at the varsity level are expected to spend considerable time on their own practicing.

Each player may play in up to eight tournaments as well as the district tournament.

2018 Varsity Golf

Why play golf?

Golf is fun! There are many valuable life lessons to be gained in golf:

- Honesty: Golf is the only sport that requires the player to enforce the rules.
- Integrity: We have to keep our own score
- Perseverance: There are no timeouts or substitutions in golf.

What now?

Sign your child up for one of the many golf programs. They vary from beginner to advanced. Here are a few of them:

Beltway Junior Golf Tour

<http://katy.beltwayjgt.com/Tour/>

Texas Junior Golf Tour

<http://www.tjgt.com/>

Then contact me to have your child placed in a golf class.
