

It's as easy as.....

Buying Groceries

Filling your car up with Fuel

Going out to Eat

Buying Shoes

Giving a Gift

Paying your Kohl's Charge Card

All of these everyday tasks can be fulfilled by using scrip and earning money that benefits our school and your tuition account!

Scrip Tuition Credit Policy:

The scrip year runs from March 16th to March 15th of two consecutive years. Payment will be applied to your tuition account in April. Families of K to 6th grade children agree to use scrip enough to generate \$100 profit for Crucifixion School. If \$100.00 profit for the school is not generated, families agree to pay the difference between the \$100 and what is generated. Monies earned will be distributed on a tiered scale. If \$100 - \$199 is earned, the profit is split 50/50. If \$200—\$599 is earned the profit is split 60/40 (60% going towards tuition, 40% to the school). And if \$600+ is earned, the profit is split 75/25, with 75% going towards tuition and 25% towards the school.

Scrip Program

Soaring to New Heights!

WHAT IS SCRIP? FUNDRAISING WHILE YOU SHOP!

Scrip is a.....*FUNDRAISER*

Scrip refers to gift cards from national and local businesses that our school purchases and then sells to YOU! There is no buying items that aren't needed or trying to sell things to neighbors. It generates profit that directly benefits the school and your tuition account!

Scrip is.....*EASY*

Our school is able to purchase gift cards at a reduced rate, families then purchase those gift cards at face value. The result is an instant rebate! It really is that simple!

Scrip is...*PROFITABLE*

Scrip has raised thousands and thousands of dollars for our school and has helped toward tuition payments for many families. Some families have even earned over \$1000 towards their tuition!

Scrip is....*BENEFICIAL*

By purchasing scrip, each gift card has a unique rebate amount (example, Kwik Trip is 5% rebate), and that rebate is split 50/50 between the school and you. Every family has their own scrip account. Scrip runs from March to March, so you will receive your rebate in early April.

Scrip is....*FLEXIBLE*

Your scrip rebate can be credited towards your tuition account at Crucifixion School for students in 3K –6th grade. But it can also be used for Faith Formation classes, Eagle Care, other Catholic Schools (St. Peter's, Aquinas), Catholic Universities, Future Student Accounts, or another designated family of your choice. So other family members or friends can also contribute to your scrip account!
