

PLAYERS FIRST SOCIAL MEDIA TOOLKIT

Players First is a branded, holistic club soccer experience for parents and players, which emphasizes the development of each individual to his or her full potential, and helps parents make better choices about where their children should play.

In Fall 2018, US Club Soccer introduced Players First club licensing for clubs that have demonstrated their commitment to establish and uphold the ultimate, safest environment for players. Being a Players First-licensed club means that your club has joined US Club Soccer at the forefront of raising the standards of youth soccer.

Congratulations on joining elite company, and we hope you'll enjoy this resource – among many others coming to your club – by becoming Players First-licensed!
