

LAHC Dibs Points Policy 2025-26

Dibs points are a way for the Laramie Amateur Hockey Club [LAHC] to ensure club operations run smoothly while helping to spread the workload across all members of the club. Team managers are responsible for tracking dibs points over the course of the season. LAHC requires each family to earn 30 dibs points per season no matter the number of players in their family. Families that fail to earn the required 30 points will be fined \$100 at the end of the season.
