A Special Shoutout to the Coaches!

Please enjoy this special "THANK YOU" video we put together to recognize our amazing SYC coaches! Without their dedication and hard work, we simply could not have continued to meet the exceptional physical and emotional needs of your children these past few months. It's taken a lot of creativity to make youth sports work with so many limitations, and this is our way of honoring those who unselfishly stepped up like never before and made it happen!

For all the coaches you see in this [VIDEO](#), for all the coaches who were camera shy, and for all those league directors, commissioners, R2P monitors, and everyone who lent a hand - big or small - SYC THANKS YOU! Thank you for all that you do. You made a difference in a child's life.

WITH US!

GIVING
TUESDAY

CAN WE COUNT ON
YOUR FINANCIAL
SUPPORT?

Join SYC in celebrating #GivingTuesday on December 1, 2020! This year, more than ever, providing our children with sports opportunities has been challenging. With lower sport registrations, no relief from operational costs, and the cost of protocols and PPE to keep our athletes safe, SYC needs your generosity to continue providing the level of service we strive to deliver to all of our members!

The funds donated will allow us to continue developing new sports programs and modifying our existing programs with your children's safety in mind. Even through these challenging times, the positive impact sports plays on our athletes' physical and mental development is key. That's why SYC has worked hard to keep kids active while adhering to best practices and protocols in this challenging health environment. As you consider your end of year giving, we ask you to think about the impact that youth sports has had on your child's development, as well as the positive impacts it has had on them during each season they play!

Thank you so much for your continued support of SYC as members and consider making a [DONATION](#) to SYC in honor of #GivingTuesday.
