

Hello Teams,

As the situation surrounding COVID-19 continues to evolve, we want to assure you that the safety and wellness of all players and their families is the #1 priority for all of us here at the Hudson Soccer Association. Because of this, HSA has decided to reschedule the **2020 Rivertown Classic** to **July 10-12th**, in hopes that we will all be able to gather and play soccer once again.

We look forward to safely resuming soccer activities and having you all visit our community. If your team has an invoice that is outstanding or past due, please know that we understand your team needs time to discuss the new event date. We also understand that this new date may not be accommodating for all teams. Please notify me by May 1st if your team needs to withdraw from the tournament this year due to scheduling conflicts or availability, and I will facilitate your refund.

The HSA board will continue to evaluate the situation on an ongoing basis and provide regular updates on the status of the tournament. Should there be any restrictions or risks that remain as we progress through these ever-changing times, you will be notified 30 days prior in the event of a tournament cancellation.

In times like these, we remain focused on the well-being of our players and our community, and we thank you for your patience. For more information and answers to any questions that you have, please contact me at hsatournaments@outlook.com. Stay safe and well.

Sincerely,
Laura Speltz
Tournament Director
