

Capital Area Soccer Association

Are you a fan of CASA Soccer Player?

Dear _____,

This year I have the opportunity to play soccer for Capital Area Soccer Association (CASA). Given the increasing costs to organize and operate a soccer club, we are holding a fundraiser to support this great program. While players and their families shoulder a significant portion of the cost through their registration fees, CASA is soliciting additional funding from families, friends, and local businesses to help keep costs passed on to our players reasonable.

Youth sports are an important part of a child's development - our support not only contributes to the physical well-being of young athletes but also helps build character, teamwork, and lifelong memories. CASA's goal is to provide all children the opportunity to play the "Beautiful Game" and we do not want the financial burden to be an insurmountable obstacle that prevents someone from signing up and playing at CASA.

Please consider donating to support this great program and improve the experience at CASA! We would be grateful for any level of contribution you are able to provide. 100% of all donations will go directly to help support our program:

- CASA's scholarship program (Circle of Friends)
- Offset costs for renting turf facilities for training and games
- New equipment
- Game day expenses
- Field maintenance and lawn care

Thank you for considering supporting me and hundreds of other soccer players in the Greater Harrisburg area!

Sincerely,

CASA also accepts Fan Letter donations online too! We have partnered with Square for secure, easy online payments. Please visit our Square website:
