

Continuing into his sixth year as the freshman offensive line coach is Lucas Westrick, coming to Horizon by way of Milton High School (WI) and the University of Wisconsin–Parkside. Westrick golfed for his high school team and played both offensive and defensive line, and then he diversified his athletics in college by picking up rugby. Coach Westrick emphasizes the importance of team building with his players, working to show them the value of camaraderie and shared goals. Coach has truly embraced the Horizon family spirit: his wife Molly and his daughter Beau are both Horizon alumni, and his sons Gates and Slate are in the Horizon classes of ‘24 and ‘28. To unwind after a busy week on the field, he enjoys outdoor activities like hiking and golfing . . . and he loves to sing!
