## MN BPA, Let's Catch Up!

Welcome to our first ever newsletter! This is where you can come back every month to stay updated on all things BPA. It is available to all parents, members, and advisors to help you all see what your officer team is working on and have a solid list to help keep the team accountable. We hope you enjoy what your 2024-25 officer has to prepare for you for the upcoming BPA season!

As we kickoff the new school year, the MN BPA Officer Team is excited to share some of their goals and ideas for the upcoming season. These goals will hopefully help us enhance your experience in BPA and ensure that every member has access to the tools and resources needed to succeed.

# BPA Cares & Torch Awards

We will be emphasizing programs like BPA Cares and Torch Awards. Both have proven to be a great way for members to showcase their achievements in BPA outside of the competitive scene. We want to shine a light on all of these events so that all students are able take advantage of these opportunities and receive proper guidance while doing so.

# Networking & Communication

Another key focus for us is improving networking and communication across the state. Here's how you can expect this:

- A strong social media presence where we will spotlight standout members and chapters
- Sharing helpful BPA and career tips as well as keeping you updated on upcoming events
- We're encouraging our regions to post more to promote local chapters and gain partnerships with sponsors and small businesses

# Workshops, Webinars & More!

We're launching workshops, webinars, and blog posts throughout the year to help with resume building, competition skills, and career exploration. As your officer team, we are confident that the resources will help equip you with the skills needed for future success.

If you have any questions, feel free to reach out to any of your officers. We're are looking forward to an exciting and successful year together.
