- a. Fieldhouse floors Update
 - Coach Vance presented the quotes for the field house weight room floors. There is a variety of price points between \$32K-\$54K.
 - This weight room services most of the sports at CHS so a large percentage of our athletes will benefit from this improvement. The current floors are currently unsafe and this is the first step in the improvements for the weightroom.
 - Coach Vance has been in talks with the district, admin and other potential donors but at this point he needs someone to make an actual commitment to get the ball rolling.
 - Ideally the floors need to be ordered ASAP so they can be installed in a timely fashion over the summer.
 - Stefanie (President) proposed the vote that Athletic Booster Club will give \$30,000 towards the purchase of new floors.
 - No discussion needed.
 - All in favor / No one opposed
 - Motion passes.
- b. New equipment in gym weight room

- Coach Sledge presented the benefits of the CHS athletes using Vertimax equipment. He purchased one with his own money and then Athletic Booster Club purchased a second one a few years ago.
- He requesting assistance in purchasing 2 more and possibly 2 Raptor units.
- Stefanie (President) proposed the vote that Athletic Booster Club will cover 50% of this new equipment which will leave Coach Sledge to gather support from other sports to cover the other 50%.
 - No discussion needed.
 - All in favor / No one opposed
 - Motion passes.

c. Fundraising Next Year

- We need a large focus on fundraising next year. We need to get back into securing sponsors. We might be choosing a Saturday to go out canvassing. We also need to look into fundraisers that would be beneficial for ABC.
