

## 2020 Warren Township Girls Softball Sponsorship Opportunity

Dear Future Sponsor:

The 2019 Warren Township Girls Softball Season is just around the corner and the support of our sponsors plays an important role in the success of our program.

Last season we had 18 teams totaling 170 highly motivated girls registered in our program. With the support of many sponsors, we were able to achieve our goal in placing every girl on a team.

Our program includes supplying our girls with helmets, bats, balls, catchers gear, first aid equipment and umpires. We also include trophies for each of the girls at our awards ceremony at the end of the season. Our sponsors help us provide equipment, uniforms and keep our fees low. Additionally we do not turn away any player regardless of ability to play and offer multiple scholarships every year.

We proudly display each sponsors logo on the back of their team's uniform. You have the opportunity to sponsor one or multiple teams.

I also don't want to forget the dedicated parents that volunteer their time to help make this program such a success. Warren Township Girls Softball is a non-for-profit organization that has been around over 30 years with girls starting in instructional leagues and ending in our upper leagues. Many of these girls continue their abilities on to our travel program.
