

NEWSLETTER WEEK OF NOVEMBER 14, 2022:

DID YOU KNOW:

- Practice times might look a little different from time to time. We are working to maximize our practice teams for all teams by varying times throughout the month for all teams and all levels. Instead of driving to the Dells again this season this was the best solution. Some practices are an hour, some are 45 minutes. Sometimes we're skipping a resurface too.
 - We have our highest registration numbers in over 8 years!
 - Locker Room 4 is open! We're excited to start using this Patriots Only Locker Room!
 - With the completion of Locker Room 4 we have more rink improvements on the way (we can't wait to share them with you soon).

LOCKER ROOM PARENTS

Locker Room Parents are required at all levels at all times. We recommend all parents complete [SafeSport](#) training in order to help with this requirement. This is a non-negotiable requirement and includes practices and games.
