Email – November 14, 2024

We are excited to start the 10th Season for our Mini-Atom 4 year old group! There are 30 Mini-Atoms who will be skating!! It is fun to see the second generation of Flyers registered siblings of current Flyers as well and all the new Flyers!! Welcome and we know you will have fun!

The Mini-Atoms first ice time is this Sunday, November 17 from 3:15-4:00pm at the Scheels IcePlex in the north Stampede Rink. This will be our regular ice time for the season. There will be no practice on Christmas Sunday, December 22 or Super Bowl Sunday, February 9. Our last ice time of the season will be Sunday, March 2.

Information For You!

- Equipment - I have copied our Equipment Managers, Aaron Kompelien and Jeremy Fuller. Hopefully you all have secured rental gear. If you wish to purchase your own gear, Hockey Headquarters has some used equipment. Each player will provide their own skates and stick. Make sure if you are buying skates for your player that you get them properly fitted. The kids will not need sticks the first 2 weeks of ice time. Coaches will provide information on stick length and curve vs no curve at our meeting on November 17.
- I will be at the rink prior to the first ice time with an orange jersey for each player. Make sure to check in to receive your player's jersey and a Flyers yard sign!
- Please remember to have your child use the restroom before they get on the ice. This will minimize distraction and maximize our valuable ice time.
- Each Sunday we will have a snack and drink for each player. I have attached a signup sheet and I will have a hard copy signup sheet on Sunday, November 17 for parents to pick their date and either drinks or snacks. If you are willing to do snacks or drinks on November 17 - please let me know or sign up via attached document.
