

GIRLS TEAMS - Spring 2021 Lovejoy Lacrosse Season Information

If your athlete has attended one of our recent Try-It clinics and is interested in signing up, here are important things you need to know.

HOW TO REGISTER

Go to www.LovejoyLacrosse.com and click on the link that reads "REGISTER: SPRING 2021 REGISTRATION." Next you will find the link to sign up for a US Lacrosse Membership. If you are brand new to lacrosse, you must do this before proceeding. (If you are not new to the sport, but need to renew a US Lacrosse membership, you can also do that via this link.)

Once you have your athlete's US Lacrosse Membership ID, proceed with creating an account (via www.LovejoyLacrosse.com) and signing in to SportsEngine. Follow the steps indicated on your screen to complete the registration process.

WELCOME EMAIL

After you have registered, you will receive a welcome email that will indicate what your player's uniform number will be.

PRACTICE PINNIE

Once your athlete has been assigned a uniform number, you can proceed with obtaining a practice pinnie from TeamLax (9201 Warren Parkway, Frisco TX). These pinnies should be worn to all practices along with the items indicated below in the "Equipment" section.

UNIFORM ORDERING

Please see Deb Sheridan at the start of practices to determine sizing. Once she has the sizes for all new players, the order will be submitted. You will receive an invoice for the uniform. (Please note, this applies to Girls Youth teams only. Payment for High School uniforms is handled differently.)

Youth uniforms consist of a pinnie and a black skirt. High School uniforms consist of a pinnie and two skirts (one red, one black).

Uniforms should be worn for all spring games and tournaments.

EQUIPMENT

ALL girls will need a girls lacrosse stick, lacrosse goggles, mouth guard (must be a color, cannot be clear or white) and lacrosse cleats (soccer cleats are okay for the K/2 and 3/4 players). Girls lacrosse helmets are optional. Possible sources for these items: MonkeySports in Allen, Dick's Sporting Goods, TeamLax, etc.

SPORTS ENGINE

SportsEngine is our main method of communication. This app allows you to see the team roster, team calendar and has a chat feature for quick updates. (This is the same application through which registration occurs.) Please be sure to download this app to your mobile device.

Availability: *Please be sure to RSVP in SportsEngine with your player's availability for each practice and more importantly, for each game/tournament. It's critical information that the Coaches need when planning rosters.*

"Guardians": If both parents/guardians of an athlete want to receive team communications this season, you must make sure **BOTH** parents/guardians are listed as a "Guardian" within the SportsEngine app.
