

- Storage shed roof – need paper and shingles
 - Spots on fencing that needs repairs
 - Fencing contact need to get
 - Have one bid already – 185 ft – 4,280 and the pipe repairs on the backstop 2,500
 - Ask for upper field 1st base line and look at third base line fence
 - Second base and home plate at Lake Drive big field
 - Need to re-align the bases and fix the second base before this upcoming Saturday
 - This upcoming Wednesday if can't fix second – Gross will take care of looking at it
 - Mound and batters box good shape at Lake
 - ACTION – Dolla has been contacted by Steve to ask him to look at roof's of dugouts and storage shed behind Laxton – will provide quote
 - ACTION – Gross received quote already for fences at Laxton and will be much the same for the upper field fencing – he will look into if can temporary fix and keep the fencing tight to the ground but if not, will need to have someone permanently fix
 - ACTION – Wednesday May 14th, contractor coming into align bases at big Lake. Ryan met him there to also look at the issue with second base. Gross will also look before Wednesday to see if he can fix with the supplies we have at Hill Road.
