- **President's Report- report by Jason Rogowski**
  - Thick of playoff season. High emotions at the rink
  - Colin & Jason met with Angie Dehn with the Community Center. Will retrofit one of the rink for sled hockey. Grants will fund but need to understand if it is feasible. Scheduling may be a challenge.
  
- **District 3 Updates- report by Nick Rice**
  - Mn Hockey is negotiating with Gamesheet on a new contract. Prices are going up slightly, \$2 registration increase.
  - Concussion reporting will be enforced next year, make sure coaches and parents understand their responsibility.
  - Ongoing discussion on two balanced vs tiered SqA teams for next season.
  - I brought up increasing all PW games to 75 minutes. Paul asked for teams to get a perspective from the schedulers. Matt reported the impact would be largely financial.
  
- **Secretary Updates- report by Kellie Smyth**
  - End of Regular Season | District 3 Playoffs
  - As we wrap up the District 3 regular season, I want to congratulate every player, coach, and family across our Bantam and Peewee levels. The standings reflect months of hard work, development, and commitment.
  - Below is where each team finished and where they will compete in District playoffs.
  - We have multiple #1 seeds, several top-two finishes, and strong representation across every level. That speaks to player development, coaching commitment, and families invested in the process.
  - Now it resets. Regular season records are earned — playoff hockey is taken.
  - Best of luck to all teams competing in Districts. Let's represent Osseo Maple Grove with compete level, discipline, and pride.

  - We won: The first ever Skate It Forward fundraising campaign raised almost 87K to support community hockey in Minnesota. OMGHA alone raised \$7500 and won this

contest. Huge thanks to Hailey for pushing us over the top on the last day. 10 families were drawn to receive suite tickets to the Wild game on March 15.

- 11 New BP Skaters: We just enrolled our 11th new skater from Brooklyn Park. This is up from eight last year. This means that we will get \$2750 from the skate at forward program soon.
- Grant Opportunity: The Wild Foundation is offering grants of \$5000-\$50,000 for next season for one time program or projects to grow, strengthen and support community hockey. If anyone has any ideas, I'd be happy to help write the grant application.
