Information Sharing

- Sport Engine Replacement Research - Rick shared the document that was created to evaluate and rate the features offered by scheduling, website and registration services. The group will use this format to organize the information gathered to present to the board for review.
- Sports Engine Add-ons - Sports Engine offers a variety of services from their partners including, Medical Gap insurance, Registration Cancellation Insurance, College Recruiting Services, Abuse Prevention Training and Sports Engine Play membership. Services from these partners are not valuable to our players and extend the registration process. Following the meeting, I connected with SE. There is no reporting to provide information to us about usage, only feedback we get from our players. SE will turn off the add-ons for our next registration.

Discussion/Decision

- Truist is offering ice slots again this season. The cost is higher than we would like for our players. We agreed to respond to Truist with pricing that would equate to \$25 per skater for 12 skaters per team over two sessions. While players could play in either game, we plan to designate a higher skill session and a lower skill session.

Next Meeting Jun 24, 2025 8:00-9:00

- OTHA Apparel Store - Rick
- Managing our Referees - Rick
- Bojangles Friday lunch ice and game tickets
