

# KEEPING OUR COMMUNITY REC CENTER SAFE

## Ice Arena Guidelines:

- Masks are required by all to enter the Ice Arena.
- Hand sanitizer will be available for everyone entering and exiting the arena to facilitate regular hand hygiene.
- Rink guests are asked not to send their children or visit the arena if they or a member of their household have a fever, respiratory symptoms or if any family members or close contacts have tested positive for COVID-19 in the last 14 days.
- Skaters will be permitted to enter the building no more than 15 minutes before scheduled ice time and shall exit no more than 15 minutes after their ice time.
- Children 10 and under must have a parent or guardian in the REC Center at all times while utilizing the building.
- Participants are required to arrive at the arena wearing any gear that is needed; only skates can be put on in the bleachers prior to ice time.
- Locker/changing/meeting rooms are not available.
- Skaters are not allowed in the bench or official areas at any time.
- One parent or guardian may accompany each child. The parent or guardian must wear a mask and physical distance from others while inside the arena.
- Bathrooms will be open for use. We encourage all participants to use the bathroom before coming to the arena.
- Open Skate sessions will be limited to 50 skaters on the ice and 50 spectators off the ice.
- Physical distancing and masks are required for all.
- Open Skate admission and rentals will be paid for at the front office window. A ticket will be given to those who have paid for a skate rental. Tickets are exchanged for skates in the Skate Rental.
- The arena is stocked and prepared to increase our normal cleaning and disinfecting procedures.
- Skate times have been altered to allow employees to prepare the ice and sanitize properly in between user groups.
