

Cornerstone CFCU Arena

Guidelines for Youth Hockey Games

For us to maintain everyone's safety, we need everyone to adhere to our revised guidelines. These are subject to change as we receive updated local and state mandates.

(“Participant” refers to coaches, managers and/or players)

- All Participants are entering at will. By participating, everyone acknowledges they are feeling healthy, do not have a fever (temperature over 100.4 degrees) and can honestly answer “have not” to the CDC screening questions **“Have you experienced: (1) COVID-19 symptoms in past 14 days, (2) positive COVID-19 test in past 14 days, and/or (3) close or proximate contact with confirmed or suspected COVID-19 case in past 14 days.”**
- Each Participant may have no more than two spectators viewing the game.
- Participants may not arrive more than 15 minutes before their scheduled start time and must enter through the Market Street entrance (lower level). **It may be easiest to drop your player at the door and then find a parking spot.**
- Spectators may not arrive more than 5 minutes before the scheduled game start time, to allow enough time to get the previous users out and public areas sanitized.
- Everyone must wear a mask when entering and exiting the building.
- Everyone must use the hand sanitizer station prior to entering through the second doorway.
- Once in the building, you will be directed to the assigned locker room or designated spectator area.
- Spectator viewing areas will be at ice level, or in designated bleacher sections. All upstairs warming areas will not be open.
- Just prior to taking the ice, Participants may remove their masks and properly secure their helmets and exit the locker room.
- Spitting will not be tolerated anywhere within the facility. Teams will be fined \$50 per occurrence for spitting.
- Scorekeepers, clock attendants and coaches must wear a mask at all times. Please refrain from having a volunteer in the penalty box. Scorekeeper will need to assist with penalty boxes.
- As much as possible, everyone should maintain 6' social distancing on and off the ice.
- There are no shower facilities available for Participants or officials.
- After game is complete, Participants have 10 minutes to change, retrieve belongings and exit. Spectators must exit immediately after the game. No loitering within the arena, bleacher areas or lobby.
- When leaving rink area, everyone should again utilize the hand sanitizer station, then follow the directional arrows for exiting.

Anyone with questions or concerns about these guidelines should contact Shelley Unocic, Executive Director at (716) 438-7698 or via email sunocic@cornerstoneicearena.com.
