# Proposed Amendment

## Article 4.3 Quorum

A quorum shall be defined as a majority of the total eligible votes in MASS to conduct business, and a majority of the elected officers. If a quorum is represented the vote of the majority present shall stand unless otherwise required by these bylaws.

Members who are unable to be physically present due to extended travel (in excess of 75 miles each way) may fully participate virtually by video or teleconference with the approval of the Secretary. The technology must enable board members to hear the member(s) not physically present and enable the member(s) not physically present to hear the board discussion.

### Rationale:

1. Correcting grammatical error for clarity.
2. Allows participation by electronic means for remote leagues who may otherwise be unable to attend.
