

Athletic Indoor Usage – Guidelines

All athletes/coaches/officials must abide by the All Sports Policy set forth by the State of Illinois. The All Sport Policy can be found here: <https://dceocovid19resources.com/assets/Restore-Illinois/businessguidelines4/youthsports.pdf>. If you are found not following the guidelines they will be asked to leave the facility.

Disinfecting/Cleaning

Coaches/Instructors/Organizations need to make hand sanitizer available for all participants. Minimize sharing of high-touch equipment. If equipment should be shared, coaches/instructors should sanitize equipment before and after use.

Attendance

Group sizes limited to 50 individuals, including participants, coaches and officials. No parents/spectators will be allowed to stay in the facility while their child is participating in the activity. Parents must drop off their child, and proceed to exit the building upon drop off and pickup.

Athlete Behaviors

Coaches/Instructors should maintain attendance log of participants. Participants should wash hands with soap and water or use hand sanitizer before participating. No handshakes at the beginning or end of the game. Upon completion of the event participants must immediately leave the facility. Participants cannot enter the facility until the previous participants have cleared. Participants need to be able to maintain a 6' of distance between other participants whenever possible. Drinking fountains are not available and each participant must bring their own water bottle.

Face Coverings

All parties who enter the facility must wear a face covering over their nose and mouth even while participating in an activity. This will be strictly enforced. There will be no exceptions.

Virus Precautions

Participants must conduct a wellness check prior to coming to the activity. Current symptoms include: Fever of 100.4+ degrees or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, runny nose, nausea or vomiting, and diarrhea. Refer to the CDC website as the list of symptoms is updated occasionally. Participants cannot attend if they: are displaying any COVID symptoms, tested positive for COVID-10 or are awaiting test results, or have been in close contact with someone who has tested positive for COVID-19 and close contact includes a person in their household or someone they were within 6" of for 15+ minutes.

Thank you,

Carol Stream Park District Staff
