CALVERT-ELITE SC

NEW STAFF MEMBERS COMING MAY 2019

Alli Higgs: *Individual Plans & Goals*

Alli is looking forward to establishing and maintaining a strength and conditioning program for the players of Calvert-Elite SC.

"I really want to work specifically on refining the athletic performance of Calvert-Elite's players through training them in ways which will directly correlate to their success on the field while also aiming to reduce the chance of athletic injury. I want to teach lasting fitness skills and habits." -Alli Higgs, **Director of Strength and Conditioning**

Hailey Williams: *Individual Plans & Goals*

Hailey will be in charge of overseeing the administration, operations, programs, and strategic plan of Calvert-Elite SC.

"I am excited to focus on implementing a high-quality vision of Calvert-Elite's mission. I want to work on establishing both short and long-term goals for the club and creating the necessary plan to efficiently achieve each recognized goal." -Hailey Williams, **Executive Director**

"Calvert-Elite was founded on behalf of SoMD players like Alli and Hailey... players who before the days of Calvert-Elite had to spend far too much of their childhoods driving around the beltway to find adequate development opportunities. These SoMD soccer standouts have done it all... from playing on National #1 ranked club teams... to bringing Calvert High its first State championship... to most importantly, having ultra-successful NCAA Division I careers. Coach Will and I have both been fortunate enough to coach these two as players and they exemplify the type of elite players CESC strives to create. Their familiarity of our coaching and playing philosophies coupled with their personal understanding of the importance of a program like Calvert-Elite to SoMD's elite soccer players, makes these two an invaluable part of a new and better Southern Maryland soccer culture. CESC is making sure SoMD's best players no longer have to leave their local community to reach their collegiate goals." -Damon Williams, **Technical Director & Founder**

"Calvert-Elite is committed to building a vision, structure and organization that provides a high-quality soccer experience to the Southern Maryland community. Having the right people involved and the right vision will allow us to deliver that experience."

Alli and Hailey's experience playing at the highest level of Collegiate soccer will be invaluable to the club. Their years of playing for some of the biggest clubs on the East Coast will allow them to help players and families navigate their ways towards a successful soccer career." -Will Morris, **Director of Coaching & Player Development**
