4. No parents are allowed inside the buildings for practices, players must be picked up and dropped off outside of the building for practices.

Game Day Protocols:

1. ANYONE showing any symptoms of the Flu or Covid-19 must not come to games.
2. Coaches and players must wear masks at all times.
-HBA teams will follow the tournament host's rules for mask wearing while competing.
3. Any players not following these guidelines may be asked to leave the game.
4. Parents must wear masks at all times while attending games and follow tournament host's rules for game attendance.

Overall

The HBA defers to the County Department of Health and school district in terms of positive COVID tests and/or which boys/girls need to be quarantined. We do not have access to that list due to confidentiality reasons. Any communication regarding positive COVID tests within any of our teams will come directly from the County and/or District.

We trust that parents are making the right decisions in keeping their son/daughter out when they are impacted by quarantine lists and/or positive test results. If we run into a situation where parents and/or HBA participants do not follow the health guidelines and make responsible decisions, all basketball programming could be shut down.

Please remember the HBA Board is made up of volunteers doing their best to keep basketball going during a difficult time. Please be kind to each other.
