Eric Hartnet	Ozaukee	2009	53 Yards

NOTE Tony Yelk had 5 field goals in his career of 50 yards +

NOTE: Leonard Vandehey's field goal was a drop kick!!

NOTE: Both Dick Hartman's and Jake Beason's kicks came after a kick-off followed by a free (No opponent rushing the kicker) kick. This was allowed by the rules of the day. On that same day, 10/26/1946, after another fair catch on a kick-off, Richard "Dick" Tracy of Milwaukee Boy's Tech had a 60-yard field goal nullified because of a 12th-man on the field. Goal posts were then placed on the goal line in the city conference.

NOTE: In 1995, a story in the Milwaukee Sentinel mentioned that Charles Page, a junior at Pewaukee, had intercepted 18 passes that year. So, Page went to the top of my single season list and for a while, based on another story from 1964 that listed him as having 13 interceptions, that gave him 31 for the two seasons. So, with 31 interceptions he also went to the top of the career list. Upon discovering other information Page would drop to third place, career wise. Recent information found in a 1964 Milwaukee Journal story stated that Don Strauss, and not Page had intercepted 18 passes in 1963 and 13 as a senior. The official Pewaukee football records web page shows that Strauss had 14 interceptions in 1963. A search of a number of other newspapers do not show verifying totals. As a result I have placed Don Strauss, in place of Charles Page, in the records but tied for seconds in the single season records. I've accepted the official Pewaukee record as the correct single season total. The career total of 31 interceptions might be questioned but at this time his totals remain as #3 on the list. Perhaps the 18 in the story was for his sophomore and junior seasons.

Arcadia 1928 vs. La Crosse Aquinas	100

NOTE: When is a state record performance not part of the state records? Well, in 1898 Northwestern Military Academy was based in Highland Park IL. The school had a camp at Lake Geneva (WI) but didn't officially move there until 1918. They did play the local high school, Highland Park, IL. in 1898 and won 108-0. The Northwestern merged with Delafield St. John's Military Academy in 1995 to become St. John's Northwestern M.A. The 108-0 score belongs in the Illinois stae football records since the game didn't take place in Wisconsin or the school wasn't based in Wisconsin at the time.
