

# TACKLE CANCER

*Benefiting*

RANDY SHAVER CANCER RESEARCH  
AND COMMUNITY FUND

*The mission of the Randy Shaver Cancer Research and Community Fund is to assist and support the cancer community in Minnesota by funding research, prevention, treatment, and other programs relating to the cancer community's principal needs.*

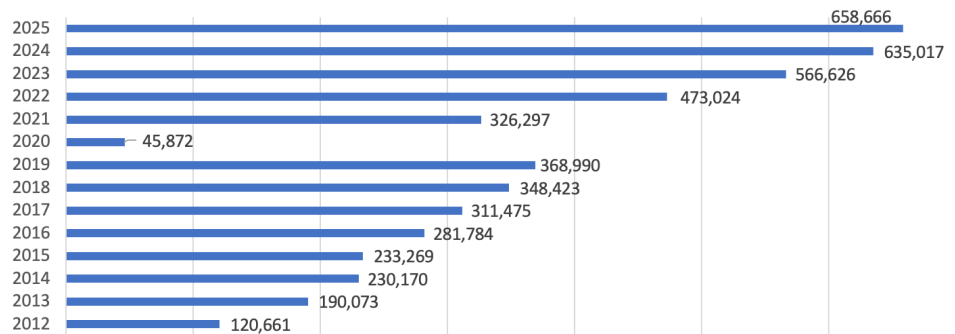

Dear Fellow Coaches,

I hope you have had a great summer and are excited for the upcoming football season! This is your invitation to join our team and be a part of the 2026 Tackle Cancer campaign. We ask you to consider participating again this year, or if you have not participated in the past, to join the 185+ high schools in Minnesota who have made Tackle Cancer part of their season for players, coaches, and fans. Cancer has touched every one of our communities and the monies raised will help support cancer research and patient aide for every type of cancer throughout Minnesota.

The MFCA, along with Minnesota's colleges and the Vikings, set a Tackle Cancer record last season raising **\$658,666!**

Our goal for the **2026 season** is to raise **\$675,000**

Total Raised \$4,790,347

It's easy to participate! We've got your game plan. See the back of this letter for an easy play by play on how to help Tackle Cancer reach its \$675,000 goal this year.

Let's making this a winning season for Tackle Cancer!
