

Junior Spartans Boys Basketball

Junior Spartan Board

To: Junior Spartan Families

As we move closer to the 2018-2019 season, the Junior Spartan boys basketball program will once again need volunteers to serve on the Board. The positions available are Vice President, Secretary, Treasurer, and (1) at large position representing each grade level. Additional information regarding each of these positions can be found by accessing the tab "Board Participation." Under this tab you will find information on Board responsibilities, scheduled meetings, and an application for your review.

The mission of the Junior Spartan program is to provide opportunity for the youth in the Brookfield East community. The Junior Spartan Board is instrumental in making that goal become a reality. Our goal is to have (1) at large position representing each grade level. The elected member will have the ability to vote on any issue recommended at meetings. However, this does not mean that only (1) person can be involved with the Board from each grade level. If there is additional interest, members will be appointed to committees that will assist with the organization of assigned fundraising and program events. Board and Committee level meetings will be held to discuss the planning and implementation of these events. Please consider serving the youth of Brookfield East.

If you are interested in serving, please review the information included on the Junior Spartan website. Our first meeting will be held at Brookfield East on September 10th from 6:00-7:00 pm in the Excellence Center. Please send your completed application to Coach Rux at ruxj@elmbrookschoools.org prior to the meeting. Again, all individuals that are interested in serving will be given the opportunity to participate at either the Board or Committee level, so please do not hesitate to join.

If you have any questions, please email me at ruxj@elmbrookschoools.org. I am looking forward to working with you this season.

Sincerely,

Joe Rux
