**Treasurer's Report:** See Attached

**Announcements (made by President and VP):** Dave: Friday night is opening night at 6pm, we will have the kids line up starting with the 4-7 flag near the scoreboard and working their way down the field. Each team will be called out and the cheerleaders will hold up the banners they made and the teams will run through them. After all the teams have gone, we will take a group picture on the bleachers.

Thursday night we will need help painting the field. Every week thereafter we will need to touch up the lines and numbers. The school used to do this for us when the middle school played here, but they no longer do. We will also check the speaker system on Thursday night.

Our 1<sup>st</sup> game on Saturday starts at 10am. We need all hand on deck and I need everyone to have patience, 1<sup>st</sup> games with the younger kids can be a little rough.

MM- Do we have all medical and physical forms in? DB- We need to put an email out to the coaches so they know to make sure their team had the forms completed. MM- coaches don't know what they need to do. How do we get this information out? Have we told coaches they need to come to meetings? DB- Send an email to coaches so they know what they need to do, also letting them know how to get the flag rules so they can read them over.

MM- Do we know who is reefing the games? We do not have higher refs, we ref the games. We will have 3 referees for the tackle divisions.
