

STATE COLLEGE ICERS REGISTRATION & TRYOUT PROCESS

2020-2021

Registration for Tryouts

- All registrations for tryouts will go through Sports Engine and you must have a Sports Engine ID and password to access the registration system. If you played for the Icers during the 2019 – 2020 season, you will use the same Sports Engine account you created to register your player(s) last season.
- To complete your registration, you will need to obtain a 2020– 2021 USA Hockey number at <http://www.usahockeyregistration.com>. There is a cost associated with this registration.
- With your USAH number, go to www.scyiha.org and click on the Registration/Tryout tab along the top of the menu bar and follow the instructions for registration. SCYIHA requires that all players who attend Icers team tryouts pay a nonrefundable \$50.00 registration fee when registering for tryouts. **All players must register via the website and registration fee will be required to complete the SportsEngine registration. No payments will be collected at tryouts.**
- If a player wants to try out *after* the announced tryout dates a \$50 late fee will be assessed in addition to the standard \$50 Registration fee (**total of \$100 reg fee**). Acceptable absences from announced tryout dates include illness/injury, school participation or opportunities, a scheduled game in another sport, and extenuating family circumstances. Aside from same day illnesses, an absence must be communicated to the SCYIHA secretary (scyiha.secretary@gmail.com) no later than 72 hours prior to the start of the event in order to be considered excused.

Tryout Process For All Other Age Groups:

- State College Icers will hold tryouts at Pegula Ice Arena, State College, PA.
- Unless other arrangement are made, players must attend both tryouts!
- All players trying out must be in full hockey equipment, including mouth guard. Players will be given tryout number to pin on the back of their jersey, this will be their Tryout ID. Please use this same tryout number for BOTH tryouts. Initial roster placement announcements will be posted using Tryout ID's, not player names...so remember your number!
- The players will be evaluated on the ice based on their individual performance of skills and team scrimmages as well as coaches' evaluations from the previous season if the player is a returning Icers player.
- Age groups and tryout weeks for the State College Icers are as follows. Dates are tentative and subject change. Final dates and times to be announced pending Pegula's schedule.

| Age Group | Birth Year | Tryout 1 | Tryout 2 |

After Tryouts:

- After the second tryout session from each level, the evaluators' scores from both sessions will be averaged, added and the selection of players is determined based on their overall rankings combined with the coach's evaluations.
- It is expected for the player to attend both tryout sessions. The roster selections will be based on available information from the session(s) that were completed. Every effort will be made to place as many players as possible. However, not every player trying out is guaranteed a roster position on a team.
