

CLYFL Financial Aid Policy

Financial Aid Request Process

Central Loudoun Youth Football League (CLYFL) is committed to making youth football and cheer accessible to all families. With the generous support of private donors and our league community, we've proudly granted every financial aid request received in past seasons. While funding varies from year to year, our goal remains the same: to support families in need.

To apply for financial aid, families must complete both of the following through our **CLYFL Sports Engine Financial Registration** portal:

1. Register for the football and/or cheer program.
2. Submit a financial aid request.

Both registrations are required to be added to the aid waitlist. Aid is awarded on a first-come, first-served basis as long as funds remain available, so early registration is strongly encouraged.

A **mandatory \$50 equipment fee per athlete** is due at the time of registration.

Please note:

- Financial aid requests must be submitted **each season**. Aid and registration do **not** carry over.
- Families are asked to contribute **at least 50%** of the registration fee. If that's not feasible, cases will be reviewed individually.

Documentation Requirements

Proof of financial need may be requested by the Director of Registration. Acceptable documentation includes current eligibility for:

- Free or Reduced School Lunch
- Food Stamps
- Temporary Assistance for Needy Families (TANF)
- Aid for Dependent Children (ADC)
- Social Security Disability (SSD)
- Supplemental Security Income (SSI)
- Women, Infants, and Children (WIC)
- Supplemental Nutrition Assistance Program (SNAP)

- Documentation showing the child is in foster care or a ward of the state
- Documentation showing the child receives Medicaid

Other forms of documentation may also be considered on a case-by-case basis.

Important Notes

- All financial aid requests are handled **confidentially** and are accessible only to the Director of Registration and Treasurer.
 - If a board vote is required, the case will be presented anonymously.
 - Once aid decisions are finalized, any documentation submitted will be **shredded**.
 - Submitting a request does **not guarantee** financial assistance, but we make every effort to help as many families as possible.
