 - f. Medic for the season: Medic to come and speak to the board about hiring them to be at every game and practices.
 - g. Cheerfest update: Medic; Jenn has interviewed a possible medic that specializes in pom/cheer. We are still in the process of adding a second person to support her. We’ve secured the DJ and are awaiting his contract. The committee is in the process of signing contracts with food trucks. We are looking into having a dedicated shirt design for all spectators to wear to Cheerfest to show support of our girls.
- VIII. Managers Reports
 - a. Football: At the league meeting a few things were approved. Some JV teams are going to have a bye week. They added a mandatory football coaches meeting to make sure everyone in the league is on the same page. Also, all expansion teams at the varsity level will not be playoff eligible and will play only first year teams as their own conference. All football coaches will be able come and observe the
