

Appleton East Boys Basketball Summer Camps

The Appleton East high school boys basketball coaching staff is pleased to offer two (K - 8th/grades entering in Fall) great boys summer camps. The goal of the camp program is to give participants the opportunity to grow as players in the off season in two main areas shooting, dribbling, IQ, and fundamentals. The first camp is on June 10-13th 2019 and will be shooting/fundamentals focused. We will work on shooting form and get up plenty of shooting reps! The second camp on July 8-10th 2019 will be attacking the basket, finishing, with a dribbling focus. It is the intention of the Appleton East coaching staff to have All Appleton East players in the basketball program or bring in new players participating in both camps to advance their basketball skills and help guide them into their high school playing days!

Camp Times and Dates (2-8th can attend both camps for \$70)
