TREATED m TRIA

SPORTS INJURY

For some of our patients the goal is winning a national championship. But you just want your wrist pain to go away so you can skate for state. At TRIA Orthopedics, we'll treat your broken wrist and get you back on the ice. When that happens, it feels like we all win. It's why you're treated and how you're treated by TRIA.

Welcome to the 2024 CCM Minnesota Hockey High Performance Boys 16 & 17 and Girls 16 & 17/18 Spring Festivals!

→ CONGRATULATIONS TO ALL THE PLAYERS on earning a spot in this spectacular weekend showcasing Minnesota's best players! These festivals play a critical role in the Minnesota Hockey and USA Hockey player development process and identifying the top players in each age group.

The CCM Minnesota Hockey High Performance Boys 16 & 17 & Girls 16 & 17/18 Spring Festivals have quickly become a "can't miss" event for college coaches and scouts. This should be a wonderful experience for you as you compete against some of the best players in the country.

It takes a great deal of passion for our sport and commitment to personal development to reach this stage of the

tryout process. You should be proud of your accomplishments and share the lessons you learn with your teammates back home in your community. Some of these lessons include teamwork, fair play, leadership and good sportsmanship. These life skills will serve you well as you continue your journey both on and off the ice.

Good luck, and take some time to enjoy what you've accomplished!

Sincerely,
Mike MacMillan
High Performance Director, Minnesota Hockey
