

Hello Storm Families,

Governor Scott has just announced that Vermont is pausing recreational sports: <https://governor.vermont.gov/sites/scott/files/documents/ADDENDUM%208%20TO%20AMENDED%20AND%20RESTATED%20EXECUTIVE%20ORDER%2001-20.pdf>

While the executive order goes into effect tomorrow evening, we have been notified that WABA is closed effective immediately. Therefore, ice times scheduled for today (Friday) and tomorrow (Saturday) have unfortunately been cancelled.

While this is disappointing news, we respect the decision and hope that a state-wide pause can provide a reprieve in COVID cases - ultimately, allowing us to resume play as soon as possible. The kids are doing just a great job with new protocols (masks, etc.) and it's been so much fun getting back on the ice. Fingers crossed that we'll be back soon.

We'll be in touch as we receive more information. Please let us know if you have any questions.

Have a great weekend. Go Storm!  
The UVHA Board
