Secretary Update - OPEN

- Jeff Riddlehoover
- Chunny Daiker

Coach Update - Marc Franz

- Spirit of the QB club - growth and development in the last 20 years
- The QB club pays for 4.5 additional coaches.
- School district pays for 9 coaches (across the 4 grades) there are also additional “volunteers” who bring in incremental coaching time that supports. This gives the experience more wealthy for the players
- Summer Camps - coaches don't get paid for these - they volunteer and then they help bridge the gap and help the QB club
- Meeting with the incoming Seniors during WIN and pushing them to take the lead. Picked out a motto “Play hard and Hit harder - Rogers 2022” and this year will be about “recruits” since this senior group is smaller. Potential of a couple seniors.....who they can grab and recruit during summer time.
- Summer Camps - Winona Camp is changing to the Southwest State Camp. Flows really well just after the team camp at home.

Coordinator Updates - Various

- Concessions - April is going to help this year. Looking to incorporate a younger child to start learning concessions. Would also like to use google sheets to look at specific roles for each game day. Adding more activities and roles – including “stocking” “Spring Clean up day”, “product return” etc.
- Fundraising - (Coordinator absence) - reviewed high level what we do currently
- Summer Events -
- In-Season Events -

Other Updates -

Reviewed open roles - looking for volunteers
