

Prior Lake Tennis Camps

The Prior Lake High School Boys' and Girls' Varsity Tennis Coach will be offering two sessions of summer camps. A major focus of the camps will be to introduce the proper fundamentals of tennis and to have fun playing the game. Coach Priest has over 30 years of coaching experience which includes coaching at the University of Minnesota and as Player Development Director for the United States Tennis Association.

Level 1 Intermediate/Middle School - This group will focus on all major fundamentals of the game of tennis. Learning the proper way to hit groundstrokes, volleys, and serves will be covered. An overall understanding of the game (scoring, sportsmanship, and rules) will also be covered. This level is for the intermediate middle school player. (Ages 9-12)

Level 2 Advanced/JV+Varsity - This group will emphasize much of the same concepts as Level 1 but will also work more on strategy of the game. This group is designed for the upper level JV and lower level Varsity players or those who strive to be playing Varsity within the next year. (JV/Varsity skill level)

*All groups meet Monday, Tuesday, and Thursday for 3 weeks in each session. There will also be match play for both levels on Wednesdays. (Four days of tennis each week!) We will use Fridays for makeup classes due to rainouts. Wednesday match play against other programs will not be rescheduled due to rain.

Dates: June Session June 10-27

 July Session July 8-25

Level 1 – 8:00-9:30 (\$175 each session)

Level 2 – 9:30-11:00 (\$175 each session)

Match Play: Wednesday will be match play with other programs within our community. Locations could vary each week with sites including Prior Lake, Shakopee, Burnsville, and Mankato. Other sites are TBD. Times for each Wednesday event will also be finalized prior to the start of camp. In the past match play started around 9:00 AM and continued thru early afternoon. Match play can be flexible so if a player needs to come later or leave earlier those can be accommodated. Players need to get their own transportation to the site of the week.

All fees for these match sites are included in the program cost.

Location: Prior Lake High School
