Nominations/Voting: All board positions have been filled except player safety, We do not need to vote since we only have 1 person for each position nominated. See attached for the list of new board members.

- Air helmets will need to be reconditioned this year. This is done every 2 years, you can tell when they are done by the sticker on the back that they put after they do them.
- You will need to order pants and rib pads this year. We haven't had the money to do so the past couple of years so now is the time to do so. We found Epic Sports is a good place to order from. You should look into that now.
- Jersey are usually ordered through Riddell, However I needed to order jersey for my team this year and ordered through Epic sports and they were great and we got them really fast.
- Footballs will need to be ordered.
- Banners need to be taken down.

Bylaws: Bylaws will need to be looked over and adjusted as needed, The bylaw meetings are open to the public and need to be voted on 3 times in order to take effect.

Football Commissioner: N/A

Cheerleading Commissioner: Cheer is going really good. We have a tricky Tray coming up on December 19th and we will be getting our gambling license. If we need to store anything can we store it in the shed? DB- Yes that's never a problem.

Concession Stand Coordinator: The snack shack made out really well this year. We made \$10,100 with \$5,000 profit.
