FEES

\$1,895 + cost of Jerseys/socks

The Jr. Mavs Youth Hockey Organization is excited to be kicking off our 11th season of High School hockey. Both Varsity and JV participate in the Mid America High School Hockey League (MAHSHL). The number of teams formed, and the division they play in, will be determined on player registrations. Most games are played here locally in the Kansas City area, but some travel is required.

Both Varsity and Junior Varsity:

- Approximately 34-38 practices per season
- Compete in a pre-season jamboree & post season championship
- Starting line up will be announced at every league game
- Three USA Hockey certified officials per league game
- Off-ice officials provided for keeping score and working the game clock
- Jr. Mavs Senior Night with recognition of players and parents before a game

Registration:

House league registrations will open in August and close on September 15th. There will be an additional \$50 charge for any registrations received after September 15th. All players will register through the KCYHA website (www.kcyouthhockey.com). Every player must have a current USA Hockey number to register (must be renewed annually). You can register or renew your USA Hockey number at www.usahockeyregistration.com

Equipment:

Full protective hockey equipment is required to participate. Returning players may use their jerseys from last year. If your player is new or has outgrown their jerseys, they can attend one of the jersey fittings days to order. Please see the Jersey/Equipment Informational sheet for more details.

Erik Akers (Head Coach):

This will be Erik's first year as High School Head Coach and the 5th season overall after serving as Junior Varsity Head Coach for the last 4 seasons, leading the JV team to the MAHSHL JV Championship Game in 2017. A native of Emporia, Kansas, he grew up playing hockey in KC and playing high school hockey in Wichita, KS before playing club hockey at Kansas State University. Erik joined the Jr. Mavs organization 8 years ago and has coached multiple levels and select travel teams before joining the Jr. Mavs High School coaching staff. Erik is a Level 5 USA Hockey certified coach.

Jake Wiggins (Assistant Coach):

This will be Coach Wiggins first year with the Jr. Mavs HS team in the role of Assistant Coach. Jake joins the Jr. Mavs after many years involved with the Jr. Mavs organization with coaching learn to play hockey and other hockey-related programs at Centerpoint Community Ice Rink. A Kansas City area native he played AA Travel hockey for the former Kansas City Outlaws club before playing for the Outlaws in the Midwest High School league for Championship-winning teams in 2007.
