

2020-2021 USYF CHAMPIONSHIP SERIES RULES

The rules of this tournament shall be in accordance with FIFA, US Soccer Federation, and US Youth Futsal except as modified and approved herein. To download a copy of [the most recent FIFA laws of the game](#).

Notable Rules or Rule Modifications from Previous Year

1. Age Matrix – All USYF Championship Series events will use the United States Soccer age matrix below.
2. Coach Background Check- All coaches and managers must complete a background check by the USYF provider. Previous background checks for other associations are not valid, even if they have been recently completed. For the link to the background check, refer to the Confirmation email received by the team manager after the team registered for the event.
3. Red card carryover - Unserved suspensions as a result of red cards in a State Championship and or a Regional Championship will be carried over. If a player is red-carded in a State or Regional Championship, a one game suspension will be served in the next subsequent Championship Series event (i.e. Regional and or National Championship).
4. New [FIFA Rules Full Amendment](#) document can be found here
5. Key rule changes includes:
 - a. USYF does not currently have any conditional rules regarding goalkeeper distribution modifications for our State, Regional, or National Championship Series events (i.e. - GK can throw over half court, etc).
 - b. Kick Off Procedure: All players, except the player taking the kick off, must be in their own half of the pitch. The ball is in play when it is kicked and clearly moved. A goal may be scored directly against the opponent from kick off; if the ball directly enters the kicker's goal, a corner kick is awarded. This means the ball can be now played backwards directly from a kick-off.
 - c. In the event of a tie at regulation time in a match where a winner must be determined, Five (5) PKs will be taken by each team and if the score is still tied at the end of that phase then sudden death PKs are taken. If, at the end of the match, and before the kicks from the penalty mark start, one team has a greater number of players (including substitutes) than its opponents, it may choose to reduce its numbers to the same number as its opponents and the referees must be informed of the name and number of each player excluded, if any. Any excluded player is not eligible to take part in the kicks (except as outlined below). If, during the kicks from the penalty mark, one team's number of players is reduced, the team with more players may choose to reduce its numbers to the same number and the referees must be informed of the name and number of each player excluded, if any. Any excluded player is not eligible to take further part in the kicks (except as outlined above).
 - d. A Goal Clearance can now be played to a teammate within the penalty area. Opponents must be outside of the penalty during goal clearance until the ball has been distributed.
 - e. Kick-Ins must be stationary with the ball touching the line. The player taking the kick-in is no longer required to have a plant foot on or behind the line.
 - f. Referees can take action against team officials who fail to conduct themselves in a responsible manner and warn them, caution them or send them off from the pitch and its immediate surrounds, including the technical area. If the offender cannot be identified, the senior coach present in the technical area will receive the sanction.

- g. For the 2020-2021 USYF Championship Series, to support sanitation guidelines due to Covid players will not be required to wear bibs at any time.
- h. For the 2020-2021 USYF Championship Series, to support sanitation guidelines due to Covid teams will not switch benches or goals at halftime. Each team's bench will stay in their defensive half for the entire match.
- i. Knee and arm protectors for Goalkeepers or other players: USYF is modifying the new FIFA rule to accept any color of knee or arm protective equipment. The size of the equipment must still meet FIFA standards.
- j. In compliance with current United States Soccer Covid Protocols, international teams will not be allowed to participate in USYF Championship Series Events as US Soccer is not sanctioning International events at this time.

POOL PLAY AND PLAYOFFS - NUMBER OF GAMES

Division play and playoffs are determined by the number of teams and pools in a division. Depending upon the division configuration, a team could play as many as 3 games in one day.

Divisions with 4 teams – 1 pool - Each team plays each other once. The 1st and 2nd place teams advance to the finals.

Divisions with 5 teams – 1 pool - Each team plays each other once in pool play. In **USYF State and Regional Championships**, the Champion is determined by the team with the most points after their four - game pool play and the Finalist is determined by the team with the second most points. There is not a finals game. In **USYF National Championships**, the team with the most points and the second most points will advance to the finals.

Divisions with 6 teams - 2 pools of 3 teams - Each team plays the teams within their pool. After each team has played their two pool games, points are calculated and temporary standings are generated within each pool. The temporary standings are used to determine the order of play for the cross-over pool games, which are the guaranteed third game for each team. The third place teams of Pool A and Pool B will play each other in the consolation game, completing their third and final game and are eliminated from the tournament. Using the temporary standing generated from the two pool games, the Team with most points from Pool A vs. Team with 2nd most points from Pool B. Team with most points from Pool B vs. Team with 2nd most points from Pool A. These games are semifinals with winners advancing to the Finals.

Pool C and D consist of 3 teams in each pool. Teams will play the other two teams in their pool (2 games within the pool). After each team has played their two pool games, points are calculated and temporary standings are generated within each pool. The temporary standings are used to determine the order of play for the cross pool games, which are the guaranteed third game for each team. The two third place teams of Pool B and Pool C will play a consolation game, completing their third and final game and are eliminated from the tournament.

Cross-pool play begins using the temporary standing generated from the two pool games. The team with most points from Pool B vs. Team with 2nd most points from Pool C. Team from Pool C with the most points vs. Team from Pool B with 2nd most points, giving each team their third game. The cross-pool games are elimination games with winners advancing as semi – finalists.

Once the three semi finalists have been identified, using the 3-game point total from pool play and cross pool play, points are calculated and the semifinalists will be identified as

- Semi finalist with most points
- Semi finalist with 2nd most points
- Semi finalist with third most points

Determining wildcard team: The teams eligible for the wild card are the losers of the first and second place crossover games between pool B and C and the three teams in Pool A that were not point winners of the pool. Wildcard is determined by totaling the points of the eligible teams from their three pool and / or cross pool games. The wildcard team is the team with the most points from their pool / cross pool games. The third-place consolation teams from B and C are not eligible for wild card consideration.

The point winning team of Pool A, the two teams making the semi-finals from the cross -pool games above and the wildcard* team will advance to the semi-final round. In one semi-final round, the wildcard team* will play the semi finalist with the most points from pool play. In one semi-final round, the wildcard playoff team* will play the team with the highest point total from pool play. In the other semi-final round, the pool winners who have the 2nd and 3rd highest point total from pool play will play each other. The winners of the semi-finals will advance to the finals

Divisions with 14 teams - 2 Pools of 4 teams and 2 pools of 3 teams. Pool A and Pool B consist of 4 teams. Teams in Pool A and B will play all the teams in their pool (3 games of pool play) to determine Pool A and B winners. Winner of Pool A and B will advance to the semi-finals.

Pool C and D consist of 3 teams in each pool. Teams will first play the other two teams in their pool (2 games within the pool). After each team has played their two pool games, points are calculated and temporary standings are generated within each pool. The temporary standings are used to determine the order of play for the cross pool games, which are the guaranteed third game for each team. The two third place teams of Pool C and Pool D will play a consolation game, completing their third and final game and are eliminated from the tournament.

Cross pool play begins using the temporary standing generated from the two pool games. The team with most points from Pool C vs. Team with 2nd most points from Pool D. Team with 2nd most points from Pool C vs. Team from pool D with most points, giving each team their third game. The cross-pool games are elimination games with winners advancing as semi – finalists.

- Semi finalist with most points
- Semi finalist with 2nd most points
- Semi finalist with 3rd most points
- Semi finalist with 4th most points

Semifinalists will be paired as:

In a 12 team division, the wildcard team is the team with the 4th most points from pool play

The wild card team will always play the team with the most points accrued during pool play, unless the two teams have previously played during the tournament. When this exception occurs the wild card will play the semi finalist team with the second most points accrued during pool play.

Divisions with 16 teams - 4 pools of 4 teams - Each team plays the teams within their pool (3 games of pool play). Points are calculated and 1st place winners of pool A, B , C and D will advance to the semi-final round. - The referees keep a record of the kicks.
- If the goalkeeper commits an offence and, as a result, the kick is retaken, the goalkeeper must be cautioned.
- If the kicker is penalized for an offence committed after the referees have signalled for the kick to be taken, that kick is recorded as missed and the kicker is cautioned.
- If both the goalkeeper and kicker commit an offence at the same time:
 - if the kick is missed or saved, the kick is retaken and both players are cautioned;
 - if the kick is scored, the goal is disallowed, the kick is recorded as missed and the kicker is cautioned.
- If, during the kicks from the penalty mark, one team's number of players is reduced, the team with more players may choose to reduce its numbers to the same number and the referees must be informed of the name and number of each player excluded, if any. Any excluded player is not eligible to take further part in the kicks (except as outlined above).

Subject to the conditions explained below, both teams take five kicks

- The kicks are taken alternately by the teams.
- Each kick is taken by a different player, and all eligible players must take a kick before any player can take a second kick.
- The above principle continues for any subsequent sequence of kicks but a team may change the order of kickers.
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.
- If the scores are level after both teams have taken five kicks, kicks continue until one team has scored one goal more than the other from the same number of kicks.
- Kicks from the penalty mark must not be delayed for a player who leaves the pitch. The player's kick will be forfeited (not scored) if the player does not return in time to take a kick.
