

## OUTDOOR SOCCER REGISTRATION

In lieu of COVID-19 and Ontario Soccer's recent announcement about no soccer activities until June 1, SYSC has decided to proceed with outdoor registration **without payment** as per Ontario Soccer recommendations.

Registration link can be found here:

This provides SYSC the opportunity to plan an outdoor season and commence once Ontario Soccer permits us to do so.

Parents will be invoiced only if it is determined that a season will be offered. Those that have already registered will not be invoiced and will receive a reimbursement if a reduced fee is determined due to a shortened season.

SYSC would like to thank everyone for their continued commitment to the club.

Please continue to isolate and stay safe!
