

**NCHEAC
EAST REGIONAL
BASKETBALL TOURNAMENT
INFORMATION PACKAGE**

KEY NOTES FOR THE 2019 TOURNAMENT

- For every game in the tournament, the higher seed will be the home team. In past years, New Life Camp has graciously provided volunteers to keep the clock. However this year, due to the increased number of games at NLC, the **away** teams will need to provide the clock operators for their games.
- We will not be distributing programs at the tournament. The programs will be available online at the NCHEAC website for download and printing prior to the tournament.

TOURNAMENT REMINDERS

- We have eliminated the tournament scorebook. Each team will use their own scorebook. The home team will be the official scorebook.
- This season, the East teams (MSB, MSG, JVB) were broken into two conferences -- Triangle and Coastal Plain. Teams will play against the other teams in their own conference until it is down to 2 teams remaining from each conference. Then there will be cross-over play between the conferences with the highest remaining seed from each conference playing the lowest remaining seed from the other conference. The final 2 teams of cross-over play will move on to the state tournament.

If both teams are the same seed (different conferences) in a game, then the Triangle Conference will be the home team this year.

The conference wearing the home jersey when there is a seed tie in a game will alternate each year.

- All-Tournament Certificates -- The certificates (pdf) will be emailed to each organization to print and distribute to their players.

TOURNAMENT RULES / INFORMATION

- All age eligibility rules for the regular season are in place for the tournament.
- **50% Rule** – Every player must have attended at least 50% of the conference regular season games unless granted an exception by the NCHEAC Board. All regular season rules apply.
- Each team must bring their regular season scorebook for verification of the 50% rule, as needed.
- Teams should arrive at least 30 minutes early for all games, since games may start up to 15 minutes before the posted time. If a team does not have five players ready to play at the start time, the clock will be started and the opposing team will be awarded 2 free throws for each minute which elapses from the clock that the opposing team is not on the court and ready to play. If the team has not arrived by the end of the first quarter, then a forfeit will be declared.
- Coaches must submit their All-Tournament picks within 5 minutes of the end of their last game of the tournament. The certificates will be emailed to each organization after the tournament.
- **Home team** is responsible for keeping the official scorebook and providing the game ball. The home team will use their own scorebook.
- **Away team** is responsible for providing a clock operator. If the Away team wishes to have a scorebook at the official table, they may, but this is in addition to the clock operator and they must provide their own scorebook.
- Tournament T-Shirts will be available to be picked up on Friday. Please send one person to pick up all of the shirts for your program.
- Please supervise children at all times while at New Life Camp. No one should be wandering through the camp. Please be respectful of the camp and grounds, as we are guests and wish to be good ambassadors for homeschooling.
- No one may shoot baskets or play on the court except scheduled teams. This is true for halftime as well as between games.
- All teams finishing first or second in their division at the Regional Tournament qualify for the State Tournament the following weekend. Dates are Feb 22rd and Feb 23th. Tournament details are available on the NCHEAC website.

ADDITIONAL THINGS TO REMEMBER.....

We want everyone to enjoy their tournament experience and therefore request a few things from you,

- Please demonstrate good sportsmanship on and off the court. Please accord the same respect to the officials and your opponents as you do to your own athletes, and let us have NO BOOING OR HECKLING!!!
- Please lend a hand by picking up trash throughout the tournament. Our ability to be invited back to these facilities depends on our behavior. Please note the rules for the use of each of the facilities as you enter.
- Prior to leaving any facility, please check to be sure that you have all your personal belongings – gym bags, books, jackets, cameras, water bottles, etc. Many of you have a long drive if you have to come back to retrieve something you left behind!
