

S Spacing **K** Kindness **A** Accountability **T** Teamwork **E** Enjoyment

(COVID 19 PREPAREDNESS PLAN)

Spacing:

There is plenty of room in our arena to maintain social distancing.

When possible, to avoid congestion in lobby areas and if weather permits, wait outside and enjoy the weather while waiting for your son or daughter to leave the rink. Teams are allowed two adults per player for admittance; please, no siblings.

Kindness:

Respect the space of others and keep your distance while in common areas such as lobby's, bathrooms and concession area. Wearing masks is MANDATORY to comply with the Governor's order. If you cough or sneeze, please do so in your bent elbow portion of your arm. Wash your hands for 20 seconds with soap and water.

Accountability:

Everyone needs to be responsible for his or her actions. If you are sick or not feeling well, even with mild symptoms, STAY HOME. We are asking anyone with underlying health conditions to stay at home. If you have possible COVID exposure, even if distant, stay home and let those around you know you may have been exposed.

Teamwork:

We will eliminate the post-game hand-shake. Goals/Victories should be celebrated individually; no team celebration/hugs/piling on. Come dressed prior to the game and limit time in locker rooms. Players are to leave their gloves on at all times once dressed. Please bring your OWN water bottle and fill prior to entering arena.

Enjoyment: Together, with a little compassion and respect for each other we can allow our kids to play the game they love.
