Should the game remain tied at the end of the overtime period, a five round shootout will take place to decide the winner. If it is still tied after the fifth shooter goes, it will go into sudden death. In the sudden death rounds of the shootout, teams may use any player to shoot including those that participated in the first five rounds. Repeat shooters are allowed after the fifth round of the shootout (I.E. a team may use the same shooter consecutively in Round 6, and Round 7, and so on).

#### **Bronze and Gold Medal Game**

Games ending in a tie there will be a two (2) minute break with no ice flood. Teams do not change ends.

Teams will play a 10-minute stop play period where teams will play 3-on-3.

Should the game remain tied at the end of the overtime period, a five round shootout will take place to decide the winner. If it is still tied after the fifth shooter goes, it will go into sudden death. In the sudden death rounds of the shootout, teams may use any player to shoot including those that participated in the first five rounds. Repeat shooters are allowed after the fifth round of the shootout (I.E. a team may use the same shooter consecutively in Round 6, and Round 7, and so on).

#### **Power Plays in Overtime**

Penalties in the overtime period, teams will play four on three for the duration of the penalty. Once the penalty is served, play will continue until a stoppage at which point one (1) extra player from each team will be removed from the ice, and the game will resume with three (3) skaters aside.

### **Points in Standings**

Regulation Win – 2 Points

Regulation Tie – 1 Point

Regulation Loss – 0 Points

### **Tie-Breakers**

The result of a round robin game involving the tied teams will apply in the event two teams are tied in points, the winner of the round robin game between those two teams will advance to the play-offs. Similarly, if three teams are tied in points, the team which has a 2-0 record against the tied teams will advance. If none of these apply, or four or more teams are tied in points, proceed to b).

b) If teams are still tied after a), then the team or teams with the most wins would gain the higher position.

c) If the teams are still tied after a) and b) have been applied, then the team with the best goal average would qualify. The goal average of a team is to be determined by dividing the total number of goals for and against into total number of goals for, with the team having the highest percentage winning the higher position. In the event a tie exist between three or more teams, goal average will decide the positions of all teams tied. (Ex. For: 10 goals, Against: 4 goals; Percentage is  $10/14 = .714$ ).

d) If the teams are still tied after a), b) and c), the team to qualify would be the team which scored the first goal in the game between the two teams. If two or more teams are tied, the team that has scored the most first goals in all games in involving the tied teams will advance

NOTE: All games each tied team has placed in the round robin are used in the goal averaging.

e) If the teams are still tied after a), b), c) and d), the team to qualify would be the team that received the least minutes in penalties during the round robin schedule.

f) If teams are still tied after all previous methods have been applied the winner of the play-off position will be decided by a single toss of a coin.

**Centre (Red) Line** - Is used for icing only. Two line passes are allowed. The no touch icing rule will be in effect.

**Body Checking** - Body checking is permitted

**Stick Measurement** – Absolutely no stick measurements at any time.
